

EXCLUSIVE DISCOVER MOLOKINI SNORKEL SAIL

Come join Maui's #1 sailing company as you embark on this "must-do" Maui adventure! Board our spacious sloop-rigged sailing catamarans with ample room for lounging and unobstructed views of Maui's neighbor islands, Kahoolawe and Lanai.

Our first snorkel stop is to the iconic Molokini crater, pictured above, followed by a 2nd stop, usually to Turtle Town. Not only does this give our guests additional variety, but it's our way of avoiding some of the crowds. We provide all snorkel equipment including instruction and wetsuit tops.

Molokini is a protected marine sanctuary, meaning that you will find untouched beauty and marine life in abundance. Molokini is sheltered by the 10,023-foot peak of Haleakala and the neighbor island of Kahoolawe; therefore the waters can typically be calm and clear ... perfect snorkeling - for beginners and the advanced.

Depending on the size of your group, take one exclusive vessel for up to 54 passengers or two, with the second vessel's capacity set at 45 guests. This provides for a total participant count of up to 99 snorkelers per day.

We also offer the option to try the new exciting sport of Snuba if you'd like to have this available to your guests. Space is limited and It is additional.

For many, snorkeling at Molokini Crater is a "must-do" on their Maui vacation, and what better way to experience the beauty of the Hawaiian waters than on a custom-built sailing catamaran with the best crew in the islands.
